
License and Purchase Information

LICENSE:

The **DataTableToPDF.DLL** library (created by GusimoSoft) can be freely distributed with your own software project without paying any royalties to the author.

The 3rd party library “**IttextSharp 4.1.6**” (itextsharp.dll) is used in some parts of GusimoSoft libraries. This 3rd party library (itextsharp.dll) is released under the LGPL (GNU Lesser General Public License) license. This license can be viewed at:

https://en.wikipedia.org/wiki/GNU_Lesser_General_Public_License

TRIAL AND PURCHASE:

The trial version of the **DataTableToPDF.DLL** library stamps the message “**THIS REPORT WAS CREATED WITH A TRIAL COMPONENT**” on top of the exported PDF file. You can purchase a License Key to remove the red message by going to <http://www.gusimosoft.tk> and click “Buy Now” or send **\$10** USD (United States Dollars) using PayPal to:

gusimosoft@gmail.com

Once the payment is received we will send you via e-mail the License Key which you can pass in the **DtToPdf.LicenseKey** property.
